Hi Julia and Amy,

I'm trying to find the correct person at EPA for a story I'm writing for E&E's Greenwire. I also reached out to Enesta, who I'm CC'ing here.

I'm writing a short story about a segment Seth Myers ran last night about Administrator Pruitt, it was pretty critical of the agency and its recent handling of various rules and regulations, including the agency's decision on the pesticide ban and cast doubt on whether EPA would limit a popular weed killer that scientists say includes glyphosate.

Who would handle such questions or provide a response?

Here's the link: The Check In: The Environmental Protection Agency [https://youtu.be/D1Cil5n\\_zs](https://youtu.be/D1Cil5n_zs) via @YouTube

Thanks, appreciate it. Hannah
